2021 Scholarship Interview Questions

The following questions are the interview questions added to the 2021 Scholarship Application. The Scholarship Committee's goal is two-fold. One... to comprehensively evaluate each student's future college plans and appropriately distribute the scholarship funds to deserving students. Two... our desire is to not only provide students with needed funds to attend college but also to glorify God through the generosity of people in or associated with this church family whose desire was also to see students excel. Please read through the questions and be prepared to briefly answer each one. We will contact you to schedule an interview time after all applications have been submitted.

If you had to choose between fame and fortune – which would you choose?

What is your favorite Bible story and why?

Other than saving you, how has God demonstrated His unconditional love to you?

If you knew Jesus was going to return within 24 hours, who would you most want to share the gospel of Christ with?

Who is one person you admire most? Why?

Which of these statements do you believe is true?

“Who I am determines who I am.” or “What I do determines who I am.”

Tell me one thing that none of us know about you.

If you have any questions, please do not hesitate to call the church office (601-833-5118).

Please return this application to the church office by Sunday, April 24, 2022
